Dear Dr. Galayda:

The approved Project Engineering and Design (PED) funding for the LCLS project in FY03 is \$6,000,000 less the Omnibus rescission. A contract modification has been executed to place the funds under B&R 39KC02 at SLAC.

You are hereby authorized to expend available FY03 funds to begin design activities for the LCLS. The project design phase should be executed in accordance with the approved Preliminary Project Execution Plan, dated September 20, 2002.

Should you have any questions, please contact me on (650) 926-3207.

Sincerely,
