Login at [https://slactraining.skillport.com/SkillPortFE/login/login.cfm](https://slactraining.skillport.com/SkillPortFE/login/login.cfm) with your SLAC System ID and SkillSoft Password (slac2005)

NOTE:
We are seeing unpredictable behavior with the version 3 series of Firefox and Safari on SkillSoft (Mac and PC). The course will appear to perform normally but the final scores are not always posting. Please check your My Report link on the left hand side of your SkillSoft home page to verify that your training has been recorded. If possible, we recommend you use Internet Explorer on a Windows computer until we can verify this problem has been rectified.

Please notify ESH Training esh-training@slac.stanford.edu if you encounter this problem.
Add “Problem with SkillSoft training” to the subject line.

(Select) the right arrow to progress through the training and sample tests. When you finish a section a check mark will appear next to

**Important - Please Read!**

As you proceed through this training, a check mark will appear beside each slide you complete in the index to the left. Once all the slides in a section have checkmarks, you will be able to proceed to the next section. Once you complete all the sections, you may proceed on to the test.

You may stop at any time and return later to your bookmark in this training. If you leave the training for any length of time, please close the course player by clicking the X in the upper right corner of the player window. SkillSoft may automatically log you off if there is no activity for a prolonged period. This could result in your training not being tracked.

Click on the right arrow in the grey box on the lower right of this window to continue.
