**Fall Frolick 2015 Class Descriptions**

Saturday - Period 1 - 9:00am - 10:15am

**Advanced ECD - Unexpected Delights - Rosemary Hunt**  
Music by Rebecca King & Michelle Levy

This workshop for the experienced dancers will contain dances with unconventional numbers of bars, rhythms or unconventional shapes & moves.

**ECD for All - On the Edge - Joanna Reiner**  
Music by Lyle Ramshaw & Jim Oakden

Many of the newest English dances borrow figures and ideas from the Scottish country dance repertoire, and going back in history, there was a moment when there was no clear distinction between English and Scottish dancing. The workshop will explore dances that are clearly English, but with a Scottish reference or flair.

Saturday - Period 2 - 10:30am - 11:45am

Music by Charlie Hancock & Shira Kammen

**ECD for All - The Joy of Sets - Sharon Green**  
Music by Rebecca King & Michelle Levy

Squares, circles, duple minor longways sets, triple minors, two-couple sets. We love English country dancing for its variety of formations, figures, and tunes. With nearly five hundred years of English country dances to choose from, we'll explore a choice selection of accessible, engaging sets.

**Musicians Workshop - Scottish Tunes - Susan Worland**

**Scottish Country Dance - Quick-time - Linda Henderson**  
Music by Lyle Ramshaw & Susan Worland

Unique to Scotland, the strathspey demands power, grace and technique in the music, and on the dance floor. Join us to find out what makes the steps 'Scottish', how to master the movements, and enjoy the music and dance.

**Musicians Workshop - Music Jam - Michelle Levy**
**FALL FROLICK 2015 CLASS DESCRIPTIONS**

Saturday - Period 5 - 4:15pm - 5:00pm

**ECD for All - Dances in Triple Time - Barbara Finney**
Music by Shira Kammen & Jim Oakden

**Afternoon Song - Thomas Lindemuth**

This year's singing workshop theme will be "Connecting Voices: Song forms to encourage participation". We will be dabbling in a few musical forms that get us to sing together and to get others to sing with us: rounds, call-and-response, chorus-and-verse, all from a variety of fun traditional sources.

Sunday - Period 1 - 9:00am - 10:15am

**ECD for All - The Sidmouth Collection - Rosemary Hunt**
Music by Rebecca King and Michelle Levy

A look at some of the dances out of the three volumes by Devon choreographer Audrey Laver. Audrey composed her dances using Scottish recordings she had collected during her years as a Scottish Country Dance teacher, and at the suggestion of Jill Alderslade, music with a more English feel, many of which were composed by Steve Hunt.

Sunday - Period 2 - 10:30am - 11:30

**Scottish Ceilidh Dancing - Linda Henderson**
Music by Lyle Ramshaw & Susan Worland

Learn dances that are popular at weddings, barn dances and parties. Emphasis is on having fun and being social (isn't it always?!), rather than on accurate footwork. Dances are 'called', and are round-the-room, mixers, set dances and squares.

**ECD for All - No Walk-Through - Joanna Reiner**
Music by Jim Oakden & Charlie Hancock

There is great joy in being able to dance with nothing coming between you, your partner, all of your fellow dancers and the music. Although the session is for all, the dances will be talked through only, with no explicit teaching, and no calling. Bring your sense of adventure for this mélange of new and familiar dances.

**Musicians Workshop - Improvisation - Shira Kammen**
