WAR AND PEACE BALL

The War of the Three Emperors is over. Russia and France are now friends and allies. Come celebrate the peace (while we can) and dance at the Winter Ball in the company of the Czar of all the Russias and his many French, English and even Austrian guests. Will Andrei fall in love with Natasha? Find out by attending that evening!

Costumes admired but not required. Dance partners not required and dances are taught at the ball. Take part in games of chance, lively conversation and the hospitality of the court's table (gifts of comestibles are appreciated).
